The 2018-2019 Season is off to a great start! It has been great to see all our returning families and welcome some new ones as well! And a BIG Thank you for your patience these past few weeks. It is always a little hectic when we first start.

The GYM & Acrobatic/ Tumbling Classes

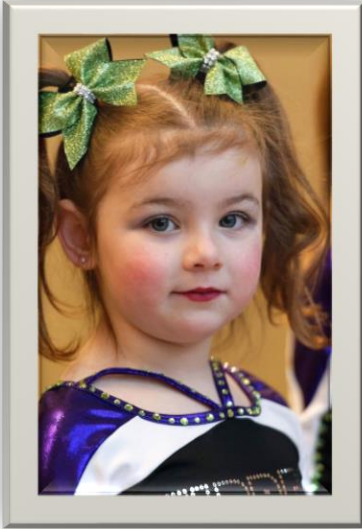

We realize it was a bit of a transition to not allow parents and siblings in gym area during classes, however we are thrilled to report that students have been more attentive then ever during their classes and they are learning so much more without any distractions.

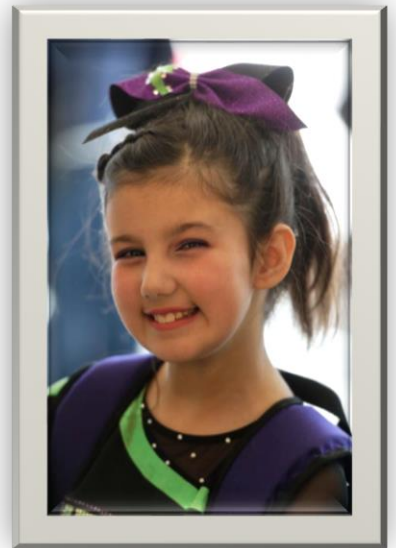

Don't worry though, Parent Observation Days are coming up!
